Jose Cruz

FRONT END DEVELOPER

(805)290-3198 | Cruzjos9619@gmail.com | Jose Cruz.com | ⍉Jose Cruz | ⍏Jose Cruz

Skills

Languages	JavaScript (ES5, ES6), HTML5, CSS3
Frameworks & CMSs	React, GatsbyJS, Bootstrap
Tools and Utilities	Git, NPM, Less/SCSS, Styled Components

Summary

Passionate and self-taught front-end developer with a strong foundation in HTML, CSS, and JavaScript. Skilled in creating responsive and user-friendly web applications. Proficient in using modern frameworks like React and. Completed projects through self-directed learning, including courses from Udemy and coding challenges on Codewars and LeetCode. Eager to leverage my skills and enthusiasm to contribute to a dynamic development team.

Projects

VITALWEAR
- Built the front-end interface using React.js & React Redux, implementing components with React Bootstrap and Styled Components for a responsive and visually appealing design.
- Managed application state with React-Redux to handle user data, cart contents, and product information.
- Implemented client-side routing with React Router DOM to provide a seamless navigation experience.
- Deployed the project on GitHub for version control and Netlify for live hosting.
- Achieved a cohesive and interactive user experience with seamless navigation and state management.
- Successfully deployed the project with automated deployment processes using Netlify.

SUMO SUSHI
- Created a responsive website layout using HTML and CSS, with styling and design implemented via Bootstrap
- Delivered a visually appealing and functional mock website that effectively showcases the restaurant's offerings and location.
- Implemented JavaScript for interactive elements and enhanced user experience.

Education

Zero To Master - WEB DEVELOPMENT   *Nov. 2023 - Feb. 2023*

- **HTML & CSS**: learned the fundamentals of web structure and styling, creating responsive and visually appealing web pages.
- **JavaScript & Frameworks**: Learned core JavaScript concepts and advanced frameworks, enhancing web functionality and interactivity.
